Dear Don,

Have been thinking of you a lot lately and wondering how you are doing. So far, just about everything I've touched this year has turned to shit, but I'm muddling through. Hope things are better for you.

I hope to escape to San Francisco for Gay Games II. I plan to drive up on Friday, August 8th, and stay through the 17th for the closing ceremonies. Whether I can actually get that much time off is yet to be determined. But just in case, I'd like to know if there is any possibility of my staying with you while I'm in the City. I hate to impose, but there is just no money for hotels this year.

In any event, I look forward to spending some time with you. I have lots to talk about and I'd like to know what's going on with you. Let me hear from you soon.

Love,

Jess
